Please make sure **all of your sewing supplies have your name on them (address labels work very well). If you find that there is something listed that you do not have, please check with us as we may have the item in stock for purchase.

***Books and patterns specified in class/club project are required to be purchased due to copyright laws.

***Please have all your fabric and materials for project listed on the Supply List prior to class. If you need help getting prepared for your class, please come in a few days ahead and we will be happy to help you with selection and cutting, just let us know.

***Machines need to be in good working order (if you desire, we have classroom machines available on a first come/first serve basis, please call ahead and let us know)
